### **Acknowledgements (Please read and sign to complete registration.)**

Theater is a team effort - each role is important to create a successful show. We look forward to your child's full participation in our program but recognize that other events may interfere with attendance at all rehearsals.

- As a parent/guardian of the participant, I acknowledge that my child will participate in all required rehearsals and all performances unless discussed with and approved by the producers of the show or a WFS designated person.

From time to time, WFS would like to place photographs of our Friendly Kids participants, rehearsals and performances on our website, our social media, and other printed and digital promotional and acknowledgement materials (theatrical program playbill, newspaper, newsletters, etc.).

- As a parent/guardian of the participant, I acknowledge that my child's photograph may be used for these purposes. If I do not wish my child's photograph be used, I will inform Weston Friendly by email or letter at or before the first scheduled rehearsal.
