

Participant Covid Protocols

COVID-19 POLICIES AND PROCEDURES Weston Recreation Department wants everyone to have a healthy, safe and enjoyable experience while participating in any of the seasonal programs. Here's some new protocols to help make that happen.

- Our building is locked, the public is not allowed to walk in.
- Masks are always mandatory in the building.
- Please keep participant's home if they are not feeling well.
- All program facilities and equipment will be disinfected before and after each class.
- Class Drop-Off will be held at the front of the Community Center. A Recreation staff member will meet you at the front of the main entrance (big barn doors) with your participant to take attendance and ask the Covid related questions that can be found at the bottom of this page. The participant will be allowed to enter the building to meet their instructor in the lobby. Once the bulk of participants arrive, the instructor will escort them to the classroom.
- If you are late arriving to class, please call 781-786-6260 when you arrive, and we will meet you at the door to allow entrance and we will escort the participant to their class.
- Participants will sanitize their hands prior to the start of class.
- Please send along a drink if necessary for your child. Water fountains will not be available.
- If a participant needs to use the bathroom, it will be limited to one person at a time and they will sanitize their hands before returning to the class.
- All classes will be spaced out with at least 6ft in between participants and windows will be opened even as the weather gets colder, please dress accordingly.
- Class Pick-Up will also be held at the front of the Community Center. Please wait outside the main entrance for dismissal. Participants will be brought to the front of the building by their instructor and released to you from there. Please plan accordingly for weather.
- If you plan on traveling, please make sure to let us know, as many states require a quarantine before returning to our building or a negative Covid-19 test.
- If a participant becomes ill during class, they will be taken out of class to a secluded room and you will be contacted immediately.
- If your child becomes ill and will not be returning, please call the Recreation Department at 781-786-6260.

“

These are the questions that we will ask of each participant before coming into the building for each class that they have.

Covid related questions:

1. In the past 14 days, has the participant had any of the following symptoms?
